

**UC SANTA BARBARA  
MULTICULTURAL CENTER GIFT FORM**

The MultiCultural Center (MCC) has presented cutting-edge programs, fostered diversity of expression, and provided a public forum and safe space in the struggle for inclusion and social justice for more than two decades. Since its inception in 1988, the MCC has given voice to literally tens of thousands of individuals who are working for social change. Please join with friends, community members, and the UC Santa Barbara family in renewing your commitment to the MCC. Your gift will support progressive programs such as the *Race Matters* and *Cup of Culture* series while helping to ensure the MCC's continued presence, visibility, and vibrance throughout the Santa Barbara community. To give to the MCC, please complete and return this gift form.
