

THE MULTICULTURAL CENTER PRESENTS

MASCULINITY CONVERSATION SERIES

## GAME TIME: MASCULINITY AND TEAM CULTURE

JANUARY 28<sup>TH</sup> | 4:00PM | MCC LOUNGE

Join us for the 3<sup>rd</sup> installment in our MASCULINITY CONVERSATION SERIES, "Game Time: Masculinity and Team Culture," a luncheon and community discussion exploring the messages we absorb and friendships we create on the court, field, or locker room—and how those lessons follow us into different parts of our life. We'll talk openly about the opportunities for growth, the underlying challenges, and the impact on identity in the world of team sports. This is a space for honesty, introspection, and connection as we discover how sports and the unique culture of masculinity around them influence our growth and development. All are welcome to participate and food will be provided.
