

THE UCSB MULTICULTURAL CENTER PRESENTS

CUP OF CULTURE SERIES

BAKOSÓ

AFROBEATS DE CUBA

OUR CONNECTION TO AFRICA IS NOT A THING OF THE PAST, THIS IS WHAT HAPPENS WHEN AFROBEATS HITS CUBA.

This groundbreaking documentary weaves the story of Cuban DJ and Producer Isnay Rodriguez, also known as DJ Jigue, and the creation of an entirely new genre. Stunning visuals and a vibrant score pulls the audience beyond the screen and into a story of this dynamic musical fusion.
