the reason i jump

Based on the best-selling book by Naoki Higashida, *The Reason I Jump* is an immersive cinematic exploration of neurodiversity through the experiences of nonspeaking autistic people from around the world. The film blends Higashida's revelatory insights into autism, written when he was just 13, with intimate portraits of five remarkable young people. Naoki's core message is that not being able to speak does not mean there is nothing to say. Closed Captioning will be enabled. *Co-sponsored by the Commission on Disability Equity, Disabled Students Program, and the Koegel Autism Center.*
