AND RCSGD PRESENTS

Drag Queen Story Hour

with Miss Angel

Drag Queen Story Hour is an inclusive storytime event hosted by drag queen and author, Miss Angel.

The children's books that we'll read highlight diverse voices and authors and focus on empathy, acceptance, equity, identity and kindness. During storytime we'll read three books together with a short activity for children and families in between each reading. These activities will be done as a community – children and adults welcomed! Join us for an afternoon of reading fun! *Cosponsored by RCSGD.*
