ADVOCACY and the Power of Affirmations

PRESENTED BY
THE MULTICULTURAL CENTER

Join us for a night of self-discovery and creativity as we learn from Activist and Astrologer Afiya Sunflower on how to use affirmations and mindfulness practices to regain self-empowerment before, during, and after advocacy work, a commitment that requires championing for yourself and others. To help ground you in this journey, join us to create and decorate your affirmation cup and add it to your empowerment tool kit! Food will be provided!
