

UCSB MULTICULTURAL CENTER PRESENTS

# FINDING JOY! IN OUR QUEER BODIES

The MultiCultural Center's Winter 2024 art exhibit was put together in collaboration with the Resource Center for Sexual and Gender Diversity. This exhibit is made of submissions from undergraduate and graduate students, faculty, staff, and community members that identify as LGBTQ+.

Through this exhibit, we hope to challenge traditional ideologies surrounding body image while celebrating the authentic expression of queer individuals, empower and highlight the resilience and beauty inherent within queer bodies, and offer an exploration of body image within the LGBTQIA+ community.
