

UCSB MULTICULTURAL CENTER PRESENTS

ART EXHIBIT

MILES REGIS

LOVE WILL HEAL US

Artist Miles Regis' profound messages of love and unity provide inspiration in all aspects of life. Regis' work seduces his audience to look deeper where one uncovers undoubtedly poignant messages in every piece. The simplicity of black and white structure, starkly juxtaposed with the complex dimensions of color, seamlessly reflect our struggle, strength and triumph. His art is a reflection of our truth.

Exhibition: January 31st - April 15th
Closing Art Reception and Live Painting
Thursday, April 14th at 6pm
MCC Gallery & Lounge
