**ORFALEA FAMILY CHILDREN'S CENTER  
WEST CAMPUS LANE, UCSB SANTA BARBARA, CA 93106**

Co-Sponsor: UCSB Children's Center,  
West Campus

**Around the World in a Day gives kids a playful, hands-on way to explore cultures from near and far.** With their own Passport to the World, they'll stop by different cultural discovery zones hosted by UCSB student organizations, picking up stamps as they listen to stories, participate in creative projects, and experience new traditions. It's an afternoon meant to spark curiosity and imagination and to celebrate identity. Come take a trip around the world, right here in the community!
