Cup of Culture

ALL IN THE FIGHT FOR DEMOCRACY

**WED OCT 30
6-8 PM
MCC THEATER**

In light of the 2024 Presidential Election, the MCC would like to highlight systemic issues regarding voter suppression and its historical impact on marginalized communities and people of color within the United States. In the documentary, *All In: The Fight for Democracy*, filmmakers Liz Garbus and Lisa Cortes examine the history of voter suppression and how social justice activists fight for the rights of U.S. citizens. We encourage undergraduate students to use their vote and their voice in this presidential election to see changes they want made in their own communities.
