

THE UCSB MULTICULTURAL CENTER PRESENTS

In collaboration with MCC Council, JS Interns, and MCC Student Teams

Holistic Safety Plan Community Progress Meeting

Diversity, Belonging, and Empowerment

Thursday, March 6th
5-7:30 pm • MCC Lounge

Join us for the MCC's Community Progress Meeting, where we'll reflect on the journey since our Community Forum earlier this quarter. Together, we'll share updates on the progress made in addressing the themes and concerns raised — diversity, belonging, and empowerment — through community care and collective action.

This meeting is an opportunity to highlight the steps taken, the challenges encountered, and the solutions implemented as part of the MCC's Holistic Safety Plan. We'll discuss how feedback and collaboration have shaped our efforts to create supportive spaces that address campus climate and foster connection, resilience, and equity, as well as some of the next steps for the spring quarter.
