

THE UCSB MULTICULTURAL CENTER PRESENTS

# Holistic Safety Plan Community Series

# Meeting & Meal

Join us for a collaborative community meeting focused on addressing critical campus climate issues and crises through our new and intentional Holistic Safety Plan.

This meeting will share the progress the MCC has made with its holistic safety plan and serve as an opportunity for attendees to identify issues affecting their communities. Our conversations will serve as a springboard to collaboratively planning future actionable steps, including a winter quarter town hall with students, staff, faculty, and administrators.

This event aims to unite our campus community, foster meaningful and productive conversations, and lay the foundation for ongoing advocacy efforts and improvements throughout the school year.
