

THE UCSB MULTICULTURAL CENTER PRESENTS

Holistic Safety Plan Meet and Greet

The MCC is dedicated to creating a safe and inclusive space for BIPOC and LGBTQ+ communities at UCSB. This year, we focus on our MCC Holistic Safety Plan to rebuild our operations and deepen community engagement. This plan centers on trauma-informed care, disability justice, and restorative justice to support those impacted by racial, gender-based, and sexual violence both within and beyond UCSB.

Join us for the MCC Holistic Safety Plan Meet and Greet to learn more about our new approach and connect with the MCC team and community. Enjoy lunch with us and help create a vision board for community care at UCSB.
