Presents

Lunar New Year Monterey Park Tragedy Community Processing Space

TODAY
MON. JAN. 23RD
1:30-3:30PM
MCC LOUNGE

The MCC is hosting a collective and safe space for healing and to process the senseless violence against the AAPI community during a Lunar New Year Celebration. It is devastating when children, friends, families, and communities cannot celebrate their cultures and connections in their sacral ways and spaces without experiencing hatred and violence.

Today and this week may feel heavy, please prioritize your emotional and mental wellness. If you or someone you know need communal support, please join us today at the MCC Lounge from 1:30-3:30PM for a healing and processing space.

This space will substitute for Spiritual Care Club and be one of many healing spaces provided by campus this week. Please don't hesitate to reach out if you have any questions.
